**Terms /Conditions/ Information: -**

1. This offer is based on the constants & Details provided by the client at the time of order confirmation.
2. After delivery, additional & subtraction in complementary, depends on nature.
3. Advance paid for project is utilized for making Data flow diagram, design theme, brainstorming & is non-refundable. Work shall strictly require to be finished within the duration mentioned in quote. We will frequently require approvals from client for which we will send the mails & SMS. Non response of emails / SMS / Calls may lead to [NAP](#) ( Non Active Project )
4. You will get the [online link](#) for monitoring & updates of your project.
5. Please provide complete text, Images & inputs before starting the project. Once text placed into slide by tech team shall not be changed and same you can change after receiving your Presentation in PPT format.
6. We dedicate two entire days for making and one day for changes of presentation so please plan your work /time accordingly.
7. Any slide design after package chosen shall be chargeable.
8. Work either be shared online with team viewer or through copyright marked low resolution PPT / pdf file before payment. However you can choose to pay upfront 100% and take editable PPT version to suggest changes.
9. You are welcome to visit **Recherche Digital office** after taking appointment for making changes and getting your final copy after payment. Design Team and script writer shall not visit for changes or otherwise.
10. PPT version shall not be released before final payment. Please do not request for same with tech or account team.
11. If slides will increase, cost will be Rs. 450 per slide & if revisions increase, cost will be Rs. 700 per hour.
12. We design slides on the basis of approved content (either provided by you or script writer duly approved by you) after designing, delete, merge or removal request may not be entertained without counted them in total number of slides. Please double check content/script and decide on the number before approving for design.
13. Company responsibility is limited to design only, client is responsible for IPR & copyright of raw material given for designing & final presentation provided by company including but not limiting to image, text, video, audio, sound, graphics. It is client duty to cross check the IPR/Copy Right liability from designated sources as per their communication guidelines. Company is not responsible for any infringement.
14. Any inputs provided by client should be in digital format and editable as well. We will not accept handwritten text or images which required manual writing.
15. Change list is required on email during project period. All changes shall be done as per change list with the approval after completing them. Verbal changes / telephonic changes are not a accepted practice in the company
16. In order to maintain the data security & privacy policy, we purge all input data & project files ( permanently delete ) from our system. We may keep final copy of project if it is meant for public viewing, for project marked confidential shall be removed including all data & final file. Please ensure you have all data, project files & final copy with you for future reference
17. [Sky is the Limit program](#) membership is included with every project of RD and you will get all the benefits including but not limited to business Diaries, Calendars, books, video, tickets & interview invites, best business practices & business modernization tips etc.
